

Lawnmower Derby Rules & Regs

1. Any lawn mower is allowed except for rear engine types like Snappers & Zero turns.
2. Decks must be removed. Clutch or footbreak has to be in working order before pulling it out on track . Mandatory for safety!
3. If your gas tank or battery is in front of the motor you must move it to a safe place.
4. You may run a hard throttle to the carb for wide open.
5. Secure the hood with welding bolts or #9 wire.
6. You may weld on a flat front or rear bumper. No pointy bumpers allowed. No taller than 15 inches.
7. No excessively thick bumpers. Use your good judgement.
8. Nothing may protect the tires in any way.
9. No frame reinforcement is allowed except for what is needed to mount the bumpers and leg cage area.
10. You may change pulleys for your desired gearing.
11. No foam filled or studded tires.
12. No hitting the leg areas of the mower.
13. Helmets, long sleeve shirts or fire jackets are required.
14. No homebuilt mowers.
15. 18 hp max.
16. Numbers should be on the hood, or a sign attached to mower.
17. Roll over twice, and you are disqualified.
